

**Summerfield North Stingrays
2018 Swim Team Coaches**

Maddie Morello:

Hello! I am so excited to be your head coach this summer! I am originally from Newport News, VA and came to Raleigh to attend NC State University. While here, I am studying Industrial engineering. I began competitively swimming at the age of four, and have almost finished my freshman year swimming at NC State. Swimming has always been such a big part of my life, and I cannot wait to bring this love and passion of the sport to your families.

Kevin Snyder:

I have been swimming at Summerfield North for 13 years. I also swim with New Wave Swim Team and have done so for 5 years. I swam and lettered in all 4 years at Enloe High School and I was a co-captain my senior year. I plan on attending the University of Nebraska this fall.
