Sophie Clayton-Luce, Co-Coach

Hello! I have been swimming with Summerfield North for 13 years and can't wait to finally help coach this summer! I swam year-round for 10 years and now swim on the club team for UNCW where I am working on achieving my Criminology major. I have always loved swimming and hope to spread my passion for the sport this swim season. The Summerfield North stingrays has helped create some of my best memories and I hope to do the same for you this summer!
